Dear Parents,

As Newlands continues to offer excellent provision for our pupils we have been given the opportunity to support a trainee teacher in a block placement between now and the Easter holiday.

We are pleased to announce that Miss Sian Potter has joined Maple Class.

Initially, Miss Potter has been observing in the classroom, working with small groups and listening to readers and now she will be given supervised opportunities to teach the whole class and will build up to a teaching responsibility of up to 70% of a full week. Miss Potter will be supported and observed in her role by me, as well as being able to draw on the expertise of the whole teaching staff.

The additional teacher helps me to focus my teaching on groups and individuals which also helps to ensure that all pupils in Year 4 make the progress that they should.

If you have any questions or queries please do not hesitate to contact me directly.

Yours sincerely,

Mr M Furzland
Class teacher
