Dear Parents,

Here at Newlands Primary we know that working in partnership with families has many benefits for our children. We value all feedback from our stakeholders and as a learning community we are really keen to hear what parents believe we are doing well, as well as the areas where parents would like to see improvements.

We have set up a survey that is open until **Friday 5<sup>th</sup> April**. For each of the statements in the survey, please tick the box which best reflects your views of the school; please think carefully about your answers. We do take notice of them and will report to parents the results of the survey. This is part of our continuing drive to improve our standards.

You can access the survey by following the link below (or by cutting and pasting to your browser).

Thank you in advance for your support.
