Dear Parents,

Tuesday 10<sup>th</sup> September 2019

### **Meet the Teacher Meetings Years 1 to 6**

Welcome back to another exciting school year. The staff, children and I have had an exciting few days planning for and exploring their new learning opportunities for the year. Over the summer we have spent a significant amount of time developing the curriculum. We are looking forward to sharing all that we have planned at our meet the teacher sessions on Wednesday 18<sup>th</sup> September.

Following feedback from parents we will be holding information events both immediately after school and later in the evening on **Wednesday 18<sup>th</sup> September**. To allow parents to attend sessions for all of their children, every class will run four sessions. All sessions will run in the classrooms and will start at **3:30pm, 4:00pm, 6:00pm & 6:30pm**. Parents are free to drop in on any sessions. Children are welcome to attend with parents, however they must be supervised at all times.

These are important events, as they provide all the information you need to ensure that your child's first term is a successful one. The class teacher will also be able to outline expectations in terms of routines, procedures, communication and outcomes of learning along with details of educational visits.

Yours sincerely,

  
Mr William Neighbour
