Hit the button- for younger children and to help children to identify the times tables answers. You could encourage to do the division facts once they are confident at finding the multiplication answers. Times Tables Rock Stars- for all children in Year 3 and above. Year 2- 2x, 5x and 10x Year 3- 3x, 4x and 8x Year 4 and upwards- all tables	
Mathematics 20 minutes	Mathematics 30 minutes
Key Stage 1 number bonds to 10 and then 20 Key Stage 2 number bonds to 100 and to 1.0 in Yr5 upwards Practise using the methods of maths you have already been taught in school	
Other suggested activities for Year 2:	
<u>Titanic Topic</u>	
Literacy	
*Write a non-chronological information text about the Titanic. Include lots of information about different aspects of the tragedy (e.g. the building of the boat, the voyage, striking the iceberg, the rescue mission).	
*Write a newspaper report of the event.	

- *Write a letter from a passenger or worker on the Titanic writing home to tell relatives about their experience of the ship (you could be First Class passenger, a servant working in First Class, Second Class passenger, Third Class passenger, a member of staff working aboard or even the Captain).
- *Learn Morse code and create secret messages to pass to parents, siblings or friends for them to decode.

Maths

- *Learn to tell the time to the nearest hour, half hour, quarter past and quarter to the hour.
- *Time internet games:
<https://www.iknowit.com/lessons/a-telling-time-to-the-hour.html> (nearest hour interactive game)
<https://www.education.com/game/clock-match/> (game to the nearest half hour)

Art

- *Look at different seascape pictures from various artists (e.g. Turner, Renoir, Rembrandt, Vernet). Encourage children to tell you the stories of the paintings and then create their own version using either paint, collage or drawing.
- *Create iceberg paintings or drawings using cubism (see below).
- *Recreate an iceberg using ice cubes and food colouring to give the blue colour.

Music

- *Listen to examples of Titanic Era Music (search for this on Youtube) and see if you can identify any instruments we have learnt about this year when we looked the orchestra.
- *Write down some songs which were played in 1912. Explain which songs you like and why, which ones you dislike and why. How are the songs or music similar or different to songs we listen to today?

Design Technology

- *Create your own Titanic model using cardboard, junk modelling or wood. (Do send in any photographs for Mr Neighbour to upload).
- *Explore the food which was popular in 1912. Design a menu for the Titanic for First Class restaurant.
- *Look at the menus from the Titanic for each different group of passengers. Design a buffet for a class party using these ideas. Draw and label a picture of your ideas.

Computing

- *Visit websites to improve your skills as mentioned on the website sheet attached to the school website.
- *Hit the button- times tables, number bonds to 10 and 20.
- *Topmarks- to develop mental maths skills.
- *Scratch- create your own Titanic game
- *Titanic websites:
