Dear Parents,

Wednesday 20th January 2021

Wednesday Whinge

I hope this finds you and your families safe and well and settling into a routine.

I don't like to deliver an onslaught of 'do and don't' to our parents as we prefer to trust our community to do the right thing. However, I'm afraid this is a bit of a whinge and I'd be grateful if you could read and take on board the following.

When children are attending their Teams sessions, they need to **join as a guest** and not log in using an account that anyone in the family may have. The **camera must be turned on** and they must **log in with their name** (eg. John S.). If the teacher sees a name other than the child's, that child will not be admitted to the session. These are safeguarding issues and we ask that you comply.

Dogs are not allowed to come onto school grounds and must remain on the outside of the boundary.

When on school grounds, we are asking adults to wear a **face mask**. The pandemic seems to reach a new peak each day and we have been very lucky as a school so far. But we need to keep protecting ourselves as it could make the difference to you and your children in the event of a positive case.

Please respect social distancing and remain **2m apart** from people not in your household bubble.

Please **avoid congregating** for a chat after drop-off and collection.

I would be grateful if you could keep these points in mind. Apologies for having a slight whinge.

Yours sincerely

Mr W. Neighbour
