

Homework Year 2 – Oak

Daily Reading

Please read every day with your child, taking the time to talk about the story, discuss the pictures and ask questions. Read the story a few times before changing the book to help embed long term word recognition and comprehension skills. Where possible please also read to your child

Please comment in your child's reading record at least three times a week.

Phonics / Spelling

Your child will be given a list of spellings to learn each week. Please help your child to learn their spellings and practise them regularly. Children need to be able to spell the words correctly in the context of a dictated sentence.

Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Bright Show Straight Alone Please Great Family Time People Eye whole	Useful Share World Mouth Circle True About Where Their through	Before Chance Station Usual Explosion Talk Pitch Delicious Thought sure	Badge Listen Castle Instead Colour Young Charge Mother Once Because pretty	Cities Sorry Reply Please Water Bread Basic Action Friend	A review of all the spellings they have looked at/ones your child has found more challenging.

Maths

In Year 2, number bond knowledge is very important. Playing online games such as Whizzbots and hit the button can be very beneficial in learning and becoming confident in this maths knowledge and will also help in other areas of maths too.

The children all have logins to a website/app called ANTON, where they can complete learning on the areas of maths we have been looking at. The children will be assigned tasks to complete.

Times tables

Regular times table practice is essential. This can be done using Hit the button, writing them out or simply through call and response.

It is expected that children will be confident with their 2x, 3x, 5x, and 10x tables by the end of Year 2.

Home Learning Projects

Please find below three projects which the children are invited to choose from if they wish to complete in addition to the above.

PSHE Create a poster for Miss Yeomans' classroom on how to be a good friend.	Science Create a fact file about your favourite animal and its habitat.	Geography Create a map of the UK and label all the places you have visited in the UK.
