Dear Parent / Guardian,

Monday 8th June 2026

Free KS2 learning support

We're pleased to let you know that **Newlands Primary School** has partnered with [Atom Learning](#), the UK's leading learning platform, to provide free KS2 learning support to children eligible for pupil premium. Atom Home normally costs **£575.90 per year**, but eligible children will receive it completely free of charge.

What is Atom Home?

Atom Home is an online learning and exam preparation platform for children aged 7–11. It helps children build confidence, strengthen their skills, and make progress in Key Stage 2 learning. For families considering grammar school entry, it also provides structured 11+ preparation.

Children can access:

- **English, maths and science practice:** Questions designed to build core KS2 skills
- **Verbal and non-verbal reasoning:** Practice for children preparing for 11+ assessments
- **Instant feedback and explanations:** Support to help children understand their mistakes and improve
- **Adaptive learning:** Personalised practice that responds to each child's level
- **Mock tests and preparation materials:** Resources to help children prepare with confidence

How to apply for your account

If you, or someone you know, has a child who would benefit from extra Key Stage 2 learning support, please complete and share this form: <https://atomlearning.com/pupil-premium/primary-schools>

Children do not need to attend **Newlands Primary School** to apply. Once submitted, the child's primary school will be asked to confirm pupil premium eligibility. Once confirmed, their free Atom Home account will be activated.

A [5-day free trial](#) of Atom Home is also available for all other families.

Yours sincerely

C. Shephard
